Bobby's Puzzle Trail

SUBHEADING

Follow the clues with Bobby and Frido

SHORT TEXT

Bobby and Frido are planning a summer party and need your help. On this free family puzzle trail through Obertauern, you solve tasks together, explore the mountains and collect letters to reveal the answer word.

TEXT

How do you invite animal friends who have no letterbox? Bobby and Frido set off to visit them in person, and you can join them. Hidden animals and tricky puzzles await young detectives and curious adults alike along the way.

At each station, QR codes unlock a story featuring short texts, audio clips and tasks. Each puzzle you solve gives you a letter for the answer word and a clue to the next station. The walk becomes a shared mission. Once you have found the answer word, a small surprise awaits as your reward.
