

## HEADING

### Fishing in Obertauern and Untertauern

## SUBHEADING

Time by the water, from mountain streams to fishing ponds

## SHORT TEXT

Cast your line, listen to the water, and leave everyday life behind: around Obertauern and Untertauern, you will find beautiful fishing spots set within the Radstädter Tauern landscape.

## TEXT

Lake Hundsfeldsee, Taurachbach and Grünwaldsee offer different settings for peaceful hours by the water. The area around the Hundsfeldmoor is particularly scenic and strictly protected. Fishing is permitted only with the required authorisations and in accordance with local regulations.

The Fürstenbrunn fishing pond at the Wildlife and Leisure Park Untertauern offers another option. Here, you can hire a fishing rod and combine your outing with a visit to the park. Information on permitted stretches of water, fishing permits and current rules is available from the relevant issuing offices.
