HEADING

Advent trail in Wildlife & Leisure Park Untertauern

SUBHEADING

Christmas discoveries with music and nature

SHORT TEXT

A walk filled with the sounds and scents of Christmas: on **8 and 22 December 2026**, the Advent trail in Wildlife & Leisure Park Untertauern invites you to enjoy music, stories and regional treats. Children can also discover special stops along the circular trail.

TEXT

Each stop adds to an Advent evening with time to listen, look around and enjoy. Brass music and readings accompany the trail, while wooden artworks and stone pine products invite you to explore. Along the way, warm up with a drink and sample regional specialities.

At the Christkindlwerkstatt, children can write down their wishes and post them in the mailbox for the Christkind. Performances at the Wildparkstüberl add to the experience. Bring warm clothing, winter boots and a torch or headlamp.
