Herr Sturm und sein Wurm

SUBHEADING

An unusual friendship full of music

SHORT TEXT

A friendly man, a cheeky worm and an encounter that changes a great deal: on 3 February 2027, Theater MOKRIT brings “Herr Sturm und sein Wurm” to Obertauern. This musical play tells a story about closeness, differences and the joy that comes from spending time together.

TEXT

Herr Sturm likes order, nature and music. Every day, he plays his little tune on the piano. Yet he often feels lonely, until a worm appears and asks whether they can become friends.

Their encounter develops into a friendship that brings two very different characters together. Acting, singing and music tell a gently humorous story about how rewarding companionship can be. This guest performance by LungauKultur and Theater MOKRIT invites families to discover the story together.
