Peter und der Wolf

SUBHEADING

A musical fairy tale to listen to and discover

SHORT TEXT

What does a cat sound like, or a bird, or a wolf? On 24 March 2027, Philharmonie Salzburg presents Sergei Prokofiev's musical fairy tale "Peter und der Wolf" at Haus des Gastes. Each character has its own melody and instrument.

TEXT

Peter lives with his grandfather on the edge of the forest. When the garden gate is left open one day, a wolf comes dangerously close to the animals. The music tells the story of what happens next through different instrumental sounds and recurring themes.

During the concert, children discover how instruments can bring a story to life. They listen, recognise the characters and follow Peter's adventure alongside the adults. An afternoon that introduces classical music in a playful way.
