Celebrate the season finale in retro style

SHORT TEXT

Neon colours, a headband and the last turns of the season: on **2 May 2027**, Obertauern bids farewell to winter with Last.Track. This retro ski day combines skiing, music and the pleasure of celebrating the season finale together.

TEXT

Dig out your retro outfit and enjoy one more day on the slopes. At Last.Track, the ski fashions of decades past are just as much a part of the experience as a shared passion for winter sports. Music and a relaxed atmosphere accompany the farewell to winter.

One last ski day together offers time for runs, meeting people and looking back on the winter. Whether with friends, as a couple or with the family, enjoy the finale at your own pace.
