SHESKIS in Obertauern

SUBHEADING

Ski together and show your support for women's health

SHORT TEXT

A day on skis, new connections and a shared cause: on **3 April 2027**, SHESKIS brings around 150 female skiers together in Obertauern. This women's ski day with Atomic supports the Pink Ribbon campaign of Austrian Cancer Aid.

TEXT

In Austria's snowiest winter sports destination, SHESKIS combines the joy of skiing with a commitment to women's health. Women with different experiences and interests come together, share their enthusiasm for winter sports and take fresh inspiration home.

The women's ski day will take place for the ninth time in 2027. The focus is on community, personal connections and raising awareness of the early detection of breast cancer. By taking part, you support the Pink Ribbon campaign and become part of a day that brings people together on and off the slopes.
