

HEADING

Bobby the snow hare

SUBHEADING

Bobby turns skiing into an adventure

SHORT TEXT

Fun characters, tricky puzzles and playful challenges: in Bobby Land, Obertauern's mascot accompanies young skiers as they make their first turns and discover new things in the snow.

TEXT

Bobby, the snow hare, makes learning to ski an active experience. Bobby Land has a range of stations where children can try things out, practise and build confidence in their skills with every turn.

Bobby's Monsterpark features fun characters and exciting puzzles. Older children can tackle new challenges on the rollers and on the course. At Bobby's Slalom, young skiers practise their turns through play. A warming room and the children's igloo complete the facilities. Children who already ski confidently can also enjoy a special adventure on the ski ghost train in the fairy-tale park by the Schaidbergbahn.

HARD FACTS

- Bobby: snow hare and Obertauern's mascot
- Bobby Land: opened in December 2019
- Bobby's Monster Park: characters and puzzles
- Rollers and a course for older children
- Bobby's Slalom for practising turns
- Room for warming up and children's igloo
- Ski ghost train by the Schaidbergbahn for children who already ski confidently
