

HEADING

Winter walking and snowshoeing in Obertauern

SUBHEADING

Explore the snow-covered mountains on foot

SHORT TEXT

Feel the winter air, hear the snow beneath your feet and take in the mountain views: Obertauern's winter walking trails offer space for exercise, time in nature and a peaceful break.

TEXT

Even a short walk reveals new views of the winter mountains. From gentle paths starting at Passhöhe to longer routes around Obertauern, choose a walk to match your pace and fitness.

You can also explore the winter walking trails on snowshoes, with equipment available on request from local sports shops. Local ski schools offer guided winter walks and snowshoe tours on request, so you can explore the landscape with an experienced guide.

HARD FACTS

- Winter walking trails can also be explored on snowshoes
- Snowshoe hire available on request at local sports shops
- Guided walks available on request at local ski schools
- Südwienener Hütte route: no food or drinks served at the hut
