

Interesting facts about Obertauern

Alles Alm

The family circular trail is located halfway between Radstadt and Obertauern on the Gnadenalm. "Alles Alm" offers entertaining hiking fun for the whole family. The hiking trails, which are suitable for baby carriages, are picturesque with extensive meadows and fenced-in play stations.

The ten themed stations provide visitors with insights into true events, curiosities and interesting facts about life on the alpine pasture, nature and the numerous animals.

The starting and finishing point is the viewing tower at the large Swiss stone pine.
This is also where the fun alpine quiz begins.
