

Interesting facts about Obertauern Riding & Carriage ride

"All the happiness on earth is on the back of a horse."

You often hear this quote, but it's true. Try it out for yourself. If you sit on a horse or let yourself be pulled by a horse in a carriage, your happiness level will increase immediately. One option would be to ride through the beautiful Twenger Lantschfeld nature reserve.

There are also guided tours of the stables and the riding farm in Tweng. Every Monday at 10:00 am you can get 30-45 minutes of interesting insights at the Landhotel Postgut free of charge and without advance booking.
