

Interesting facts about Obertauern Wildlife & leisure park Untertauern

At the wildlife and leisure park, you can encounter deer, roe deer, geese, ponies and mouflons. 40 wild animals are housed in open enclosures on an area of 11 hectares.

Children can look forward to a fish pond, a pile house, a large playground with a Tarzan ropeway and a play excavator. There is also a petting zoo with a wide variety of small animals such as rabbits, chickens, ducks, beavers, goats and llamas.

For all those visiting the Untertauern leisure park for the first time, we recommend a ride on the slow train.
